**Local Area 911 Implementation**

List all individual local areas covered by this report (e.g., Lee County, Virginia):  
Fayette County, Illinois

(a) For each area listed above, identify the emergency response point to which 911 calls will be routed. We are currently waiting for the Fayette County Commission to decide where they would like the calls to be routed. Once we get this information, we will implement the change immediately.

(b) For each area listed above, provide details of the carrier's progress in completing translation and other work necessary to route 911 calls to the identified emergency response point.

Destination unidentified. Completion will follow this determination.

(c) For each area listed above, provide the date or projected date that transition to the 911 abbreviated dialing code will be completed.

Within two weeks of destination determination by Fayette County Commission.

### **Section 3**

#### **911 Implementation Problems**

(a) Describe any problems the reporting carrier has encountered in identifying 911 number call routing points. Describe any other operational problems carrier has experienced during the initial transition stages.  
N/A

(b) Where the reporting carrier has experienced 911 implementation problems, describe any efforts the carrier has made to coordinate with public safety agencies and state and local authorities.  
We have mailed a certified letter to the County Commission requesting a determination of destination. We expect to hear from them within the month of March.
